MEMORANDUM FOR: Chief, Technical Services & Support Group, NPIC
ATTENTION : Chief, Logistics Branch, SSD/TSSG
SUBJECT : Transfer of Equipment to ACIC

25X1

1. The prototype [redacted] Variable-Magnification Tracing Projector was developed under contract for NPIC. For the past year this device has been in use by ACIC at St. Louis, Missouri and they are interested in obtaining the projector for permanent retention.
2. It has been determined that there is no requirement by any NPIC components for return of the projector. Since the device was a prototype, it was never entered on any NPIC accountability inventory.
3. In view of the expressed need by ACIC for the projector, it is requested that the necessary action be taken to transfer accountability to ACIC. Correspondence should be sent to the following address:
